DEPARTMENT OF ACCOUNTING, TAXATION AND AUDIT

INVITATION

**IV international research and practice
conference “Accounting, taxation,
analysis and audit: current state, issues
and prospects of development”**

November 27, 2018

Chernihiv

Dear Colleagues!

On November 27, 2018 at Chernihiv National University of Technology there is the III international research and practice conference *“Accounting, taxation, analysis and audit: current state, issues and prospects of development” (distant form), on the occasion of the 25th anniversary of the Department of Accounting, Taxation and Audit*. Scientists, teachers of higher educational establishments, PhD students, practitioners, entrepreneurs and students are invited to participate in the conference.

Aim of the event is to share experience of scientific research on the issues of accounting, analysis and audit in an enterprise management system.

CONFERENCE SECTIONS:

1. National and international experience and directions of accounting development as a science and practical activity;
2. Accounting and analytical support of enterprises reporting as a basis for management decisions at the micro and macro levels;
3. Economic analysis of enterprises activity: state and development prospects.
4. International and national experience of organization, functioning and development of audit.
5. Accounting and analytical support of the economic security of an enterprise.
6. Taxation of companies activity: issues and development prospects;
7. Information systems and technologies in the system of accounting and analytical support for making managerial decisions in accounting, analysis, audit and taxation

CONFERENCE VENUE

Chernihiv National University of Technology.
Address: 95 Shevchenka str., 14035 Chernihiv, Ukraine.
