

Bonn Graduate School of Economics (BGSE)

Doctoral Program in Economics

call for applications

scholarships available

admission with bachelor's or master's degree

The Bonn Graduate School of Economics (BGSE) offers a structured doctoral program in economics that combines demanding course work with early individual research in a supportive and intellectually demanding environment. Outstanding (top 10%) students holding a bachelor's or master's degree in economics or related fields (e.g. mathematics, statistics, business administration, accounting, and finance) are encouraged to apply for admission.

All BGSE activities are conducted in English. Grants are available to basically all BGSE students. All students are provided with adequate office space. Our student body benefits from an excellent faculty and numerous collaborative research activities.

Please visit the BGSE website for application requirements and information on the program

www.bgse.uni-bonn.de

Applications have to be submitted online (via www.bgse.uni-bonn.de). The application deadline for the program starting in October is March 31, 2015.

The Gateway to an International Career: ESB Business School

BSc International Business (plus option of second bachelor's degree or additional master's degree)

The programme "**International Business**" leads to the award of a bachelor's degree after seven semesters from top-ranked ESB Business School at Reutlingen University as well as to an optional fast-track master's degree from one of our esteemed international partner universities after 8 semesters in total. No prior German language knowledge is required as the programme is taught completely in English. It also provides practical experience (internship semester, thesis in co-operation with partner companies). No tuition fees in Reutlingen. Unparalleled international diversity – excellent job opportunities after graduation.

Application deadlines:

summer intake: 15 October

winter intake: 15 April with foreign / 1 June with German university entrance qualification

Detailed information including application procedure and deadlines can be found on:

Earn a degree at one of Germany's leading business schools!

Technische Universität Berlin Campus El Gouna

Technische Universität Berlin (TUB), Germany, established a satellite Campus in El Gouna to act as an academic hub and research center at the Red Sea in Egypt. TUB Campus El Gouna currently conducts three advanced Master's degree programs in:

- Energy Engineering
- Urban Development
- Water Engineering

All two-year programs comprise 120 Credit Points (ECTS) and are taught in English. Students graduate with a full Master's degree by Technische Universität Berlin. Next to their study time in El Gouna, they spend up to one year at TUB's mother campus in Berlin.

Deadline for application: 31 May 2015

TUB Campus El Gouna was founded as a nonprofit Public-Private-Partnership between TU Berlin, Orascom Development Holding (ODH), and Sawiris Foundation for Social Development (SFSD). Teaching and research are conducted by staff of Technische Universität Berlin and international experts under German regulations for higher education.

The exceptional location of TUB Campus El Gouna provides a state-of-the-art environment for studying and research, while serving as bridge for scientific and intercultural exchange between Europe, the MENA region, and worldwide.
