UAC hub apps main features

Employee ideas

- Set up an idea (a standard submission form)
- Review idea and manage the list of ideas
- Vote on the most-liked ideas

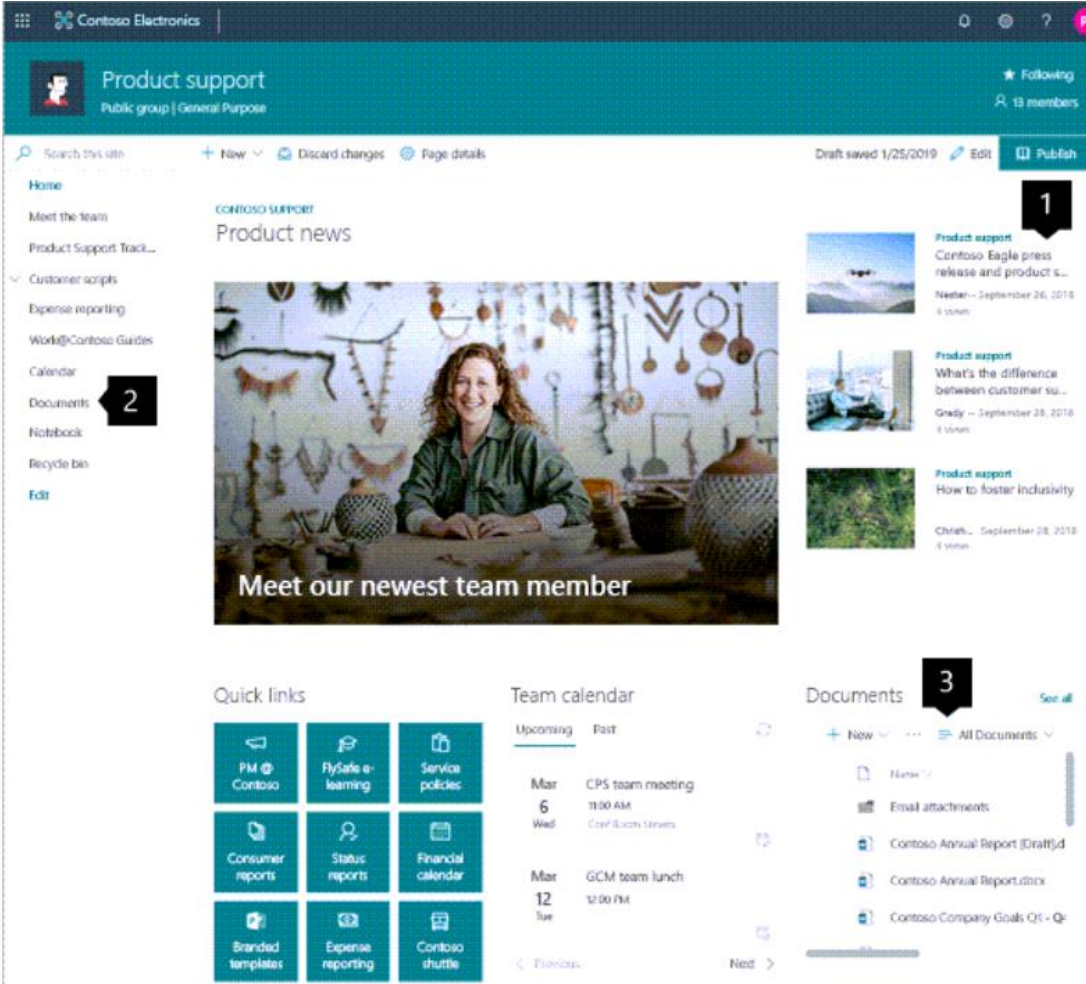

Perspectives

- Create discussions
- Interact with colleagues
- Find interesting discussions

Inspection

- inspect projects to manage quality of decisions
- Communication during inspection
- reports for managers and highlight trends

UAC hub portal (prototype)

The screenshot displays the 'Product support' hub portal for 'Contoso Electronics'. The interface includes a top navigation bar with the company name and a user profile icon. Below this is a search bar and a 'Product news' section featuring a large image of a woman with the text 'Meet our newest team member'. To the right, there are three 'Product support' articles with titles like 'Contoso Eagle press release and product s...', 'What's the difference between customer su...', and 'How to foster inclusivity'. At the bottom, there are three main sections: 'Quick links' with icons for PM, FlySafe e-learning, Service policies, Consumer reports, Status reports, Financial calendar, Branded templates, Expense reporting, and Contoso shuttle; 'Team calendar' showing upcoming events like 'CPS team meeting' and 'GCM team lunch'; and 'Documents' with a list of files including 'Email attachments', 'Contoso Annual Report (Draft).d', and 'Contoso Company Goals Q1 - Q2'.
