

The second DIGITRANS meeting

The National and Kapodistrian University of Athens, Greece hosted on April 10-12, 2024 in Psachna, the second meeting and a workshop within the DIGITRANS project, marking the significant progress made in the "Digital Transformation of HEIs Educational Process in Ukraine and Moldova for a Sustainable Engagement with Enterprises". Representatives from partner institutions in Ukraine, Moldova, and Greece, including the Chernihiv Polytechnic National University, advocated for further collaboration and advancing the project to a new stage.

CPNU represented to discussion 4 presentations:

- CPNU Ex-ante report on Need analysis of DIGITRANS stakeholders (Volodymyr Kazymyr)
- CPNU Studies and Report on curricula, needed to the labour market of UA and MD (Volodymyr Kazymyr)
- Content of CPNU leader's "Design of Digital Control Systems" e-book (Volodymyr Kazymyr)
- CPNU Scope&Features on SREE (Sergii Ivanets)
